

Greetings!

My name is Mike Snook. Originally from Tasmania, Australia, I have worked for over fifty years on building boats of all sizes. I am glad to combine my knowledge with former owner Ron Mueller's legacy to provide an exceptional rowing experience. My company, Wayland Marine, LLC., has offered the very best adventure, recreation, and fitness rowing shells since 1988.

Located in scenic Anacortes, WA, the gateway to the San Juan Islands, I have built my own Wherry and rowed the surrounding bays and waterways for the past 14 years. I am excited to help you start your own adventure! I'll help you choose the best rowing hull for your needs.

Feel free to call or email me at any time during your decision process. For more information on all the Wayland Marine boats, as well as news and events, visit www.merrywherry.com or call me at 360-420-0437.

Best Regards,

Mike Snook
